The Weather Report.

WARIINGTON, D. C., June 9 — The barometer has fallen decidedly on the Pacific cosat, but high southeast winds are now reported. The area of the highest barometer has moved castward, and is now central of West Virginia. The barometer has ricen in the Atlantic States, but has continued to fall west of Mississippi and Lake Michigan. The storm, announced on Thursday evening in Kansas, has moved north-restward, and is now reported over Minnesota and Wisconsin. Heavy raiss Louisians and Texas. The temperature remains nominally the same as on Thursday, but has fallen on the western gulf-coast and northwest of Pennsylvania, where northwesterly winds have continued during the day. Easterly winds prevail on Lake Eric, and south and southeast winds throughout the Mississippi Valley.

Probabilities.—Flessant weather with light winds are probable for Saturday on the Atlantic Control of the Control of the Guif coost will probably extend into the interior. A falling barometer, with easterly winds, will probably continue from Blue Ridge to the Mississippi river.

A Remerdy for the Street-car Difficulty. During the street-car excitement in this sity a short time stee, a negro camed Thurman Preston entered an excursion car on Portland aremue, taking his seat in the middle of the car. The conductor asked him to take a seat at the end of the car, but the negro refused to do so Probably aware of the ladies' preference for the middle seats, the conductor unged the negro to move, but he persisted in refusing, until Policeman James A. Wyast was called up, who arrested Preston, and the next morning had him before the City Court, where he was Janed 20 for discorderly conduct. Preston immediately got out a warrant in the United state Court against Wyast, for assault and battery, to tiegally arresting long him. The case was tried before U. S. Commissioner W. A.
